

WAE Music

Artist Management Starter Plan

Duration:

- 6 months, with the possibility of renewal
- Option to extend for 12 months.

Quality Assurance:

- Expert team ensures meticulous care for each release.
- Mixing and mastering done in analog for professional sound quality.
- Meticulous arrangement and processing of provided stems to ensure a polished final product.
- Additional assistance available in structuring tracks from provided sounds to create a professional track tailored to the artist's needs.

Clear and Direct Communication:

- Artist will receive continuous support and can communicate with our team throughout the contractual service.

Contract with Each Release:

- A record contract will be provided for each release.

Release Opportunities:

- Releases will be on labels within our WAE Music circuit, excluding our partner labels.
- As the company expands, additional labels will be created, offering opportunities to release on different labels to diversify the artist's profile.

Distribution:

- Each release available on major online stores (Beatport, Traxsource, Apple Music, etc.) and streaming platforms (Spotify, Deezer, etc.).

Promotion:

- Each release featured in Techno Culture Mag (www.technoculturemag.com) with articles.
- Releases promoted through our social media channels.

Marketing and Promotional Support:

- Comprehensive marketing and promotional support, including video production, to increase visibility and reach for the artist.

Creative Freedom:

- Artist retains creative control over their music and artistic direction.

Release Schedule:

- Each release occurs every two months.
- Total of 3 releases during the 6-month contract period.

Contract Termination Option:

- The artist and the service provider may request immediate termination of the contract if they do not meet mutually agreed criteria during the collaboration.
- Immediate termination option without penalty if the artist is unsatisfied with the services provided.

Price:

- Total cost: €499 per month, taxes included.
- Covers all listed services and professional support.
- Includes up to 1 track monthly.
- Price breakdown:
 - €250 for assistance with one track
 - €150 for Mix & Mastering
 - €99 for artistic management

Additional Tracks:

- Additional tracks during the monthly contract period can be included at a cost of €149 per track, including analog mix and master.

Additional Details:

- Starter Plan is limited to the artist's original tracks and does not include other versions or remixes.
